INTERNATIONAL COLLABORATIONS: GOOD BYE CHILE, COME AGAIN !

We were glad to host for the last 6 months **Alexandra GARCIA**, from the University of Chile, was in [Jocelyne CABOCHE](#)'s team.

Pamela GARRIDO, from the Austral University of Chile, was in [Etienne AUDINAT](#)'s team.

Vicente MEDEL, from the University of Chile, was in [Alain DESTEXHE](#)'s team.

Daniela MOLINA, from the Pontifical Catholic University of Chile, was in [Gilles BONVENTO](#)'s team.

And **Roxana URETA**, from the Pontifical Catholic University of Chile, was in [Laure RONDI REIG](#)'s team.

This second internship collaboration with Chile was again very fruitful both for hosting teams and students. Bryon Silva for instance, a 2014-15 intern, applied to the ENP GP and got selected by the jury. He is now in [Thomas Pr eat's team](#) at ESPCI Paris Tech. This [collaboration with Prof. Barros and his scientific committee](#) will be reconducted in 2016-17.

OPENING OF 2016 ENP CALLS FOR SCIENTIFIC EVENTS AND SUMMER SCHOOLS

ENP team leaders are invited to apply now on calls.paris-neuroscience.fr
Calls will be closing October 1st.

And don't forget about ENP's support to host collaborators from abroad (-> [Invited Scientists Program](#)) and help to cover for extra months of your Postdocs' contracts (-> [Postdoc Program](#)).

LAB ROTATIONS 2016-2017

ENP team leaders who wish to host ENP GP students for one to three lab rotations in their labs from September 2016 to August 2017, please send an email to graduateprogram@paris-neuroscience.com to receive and complete the dedicated form by **July 31st, 2016**.

GIVE YOUR LAB INTERNATIONAL VISIBILITY AT THE NEXT SFN MEETING!

Save the Date: Neuroscience 2016 will take place November 12-16 at the San Diego Convention Center.

If you are attending the meeting and wish that your center/Institute/lab be presented on the **USB key** given away at the French booth, please send your Pdf to the Soci t  des Neurosciences **before September 1st** along with a 300  contribution. To enroll and for more details, please contact Mrs Fouquet: info@societe-neurosciences.fr at the Soci t  des Neurosciences or Deborah Deslierres at the ENP: communicationmanager@paris-neuroscience.com.
