

Call for ENP Scientific Events

The Ecole des Neurosciences de Paris Ile de France will support Scientific Events organized by ENP teams in 2018. The events must be ambitious and will contribute to the international visibility of the Paris region.

The objective of the ENP Scientific Event Program is to encourage the community to meet up, to begin and/or to continue multidisciplinary exchanges linked to the field of Neuroscience.

The events will be held in 2018 up to March 2019 and located in the Ile de France Region. The organizing committee will include at least one ENP team.

In case of registration fees, the events will be free of charge for ENP students.

Applications must be completed by the ENP team leader and submitted to: enp@paris-neuroscience.com.

Applications will be reviewed by the ENP Steering Committee.

Deadline for the application: June 4, 2018 (midnight).
Decisions will be communicated by the 30th June 2018.

Content of the application:

1-Organisation of the Scientific Event (1-2 pages):

- Event Title, Location and Date(s)
- Organizers: LAST NAME, name, status, email and address of the event's organizer(s)
- Contact for administrative procedures concerning the grant
- Publications of event's organizer(s). Please supply 5 publications since 2013.
- Composition of the event's Scientific committee

2-Aim of the Scientific Event (1-2 pages):

3- Detailed Program (If preliminary, the final program will be requested before the event)

- Speakers : indicate clearly if their presence is confirmed or not

4-Budget (1 page).

- Detailed budget required including all other planned financing sources (Labex, University, private, other), specifying the amount requested from the ENP (this can include travel and housing for speakers).
